

Second HTAP 2010 Report Content Workshop

March 1-2, 2010, Chapel Hill, NC

Draft Agenda (02/22/10)

Monday, March 1, 2010

Time	Session	Speaker
9:00	Opening Plenary: In this session, the co-chairs will lay out the expectations for this workshop, introduce the synthesis questions to be addressed in Part D, and lead a discussion on common terminology to be used throughout the report.	
10:30	Break	
11:00	3 Parallel Sessions on Parts A(O3/PM), B(Hg), C(POPs) of Report: In these parallel sessions, the editors of each part will lead a discussion of the status of each chapter and the findings and recommendations that need to be brought forward from the chapters to Chapter 6 (summary of each part) and Part D (synthesis across A,B, and C). There is enough time to spend 20 mins discussing each chapter, and 20 mins discussing each synthesis question. Chapter lead authors should be prepared to make a brief presentation of the status of their chapter. By the end of the session, the editors will need to prepare slides summarizing the key points to be made for each synthesis question (about one slide per question). These key points will be presented on Tuesday.	
	A: Ozone and Aerosols	B: Mercury C: POPs
12:00	Lunch	
15:30	3 Parallel Sessions (Continued)	
	A: Ozone and Aerosols	B: Mercury C: POPs
16:00	Break	
	Plenary Presentations of Recent Analysis	
16:30	Future Scenario Multi-Model Experiments	Oliver Wild
16:50	Impacts of Shipping Emissions	Jim Corbett
17:10	US/Canada IMO Emission Control Area Analysis	Pat Dolwick
17:30	Adjourn for day	

Tuesday, March 2, 2010

Time	Session	Speaker
8:00	Plenary Discussion of Synthesis Questions (Part D): In this session, the editors of each part will be asked to report back on Monday's discussions identifying key points to be addressed under each synthesis question as a starting point for an open discussion of answers to the synthesis questions. 30-60 mins will be spent discussing each synthesis question. It is expected that the discussion will not only help shape Part D, but will also identify issues that need to be addressed further in Parts A, B, and C.	
10:00	Break	
10:30	Plenary Discussion of Synthesis Questions (Continued)	
12:00	Lunch	
13:00	Plenary Discussion of Synthesis Questions (Continued)	
15:00	Break	
15:30	Plenary Discussion of Synthesis Questions (Continued)	
16:30	Plenary Discussion of Cross Cutting Issues: In this final session, writing process issues and other cross-cutting issues will be discussed. During the course of the workshop, editors should keep track of process or other cross-cutting issues that arise and defer discussion of these issues until this session.	
17:30	Adjourn HTAP Portion of Workshop
