# Background - Vision and Aims

---

- **Vision:** To promote international collaboration towards preventing and reducing air pollution to improve air quality globally
- **Aim:** To act as a forum for international exchange and mutual learning, to facilitate the sharing of science, technical and policy expertise internationally

# 2022 – 2023 Workplan ambition

# Current activity

---

- Presenting at meetings of ICPs and Task Forces under CLRTAP
- Planning first Taskforce meeting between 10 – 12 October, Bristol, UK
- Outreach and collaboration with other organisations and forums
- Translation of convention documents identified as having global interest

# First Task Force Meeting - UK

---

- 10-12th October 2022 in Bristol, UK
- To help the Chairs set direction for the Forum.
- To provide input into the topics for discussion and cooperation at the Forum.
- To plan and support efforts to encourage a wide participation of Countries and interested experts to the Forum.

# First Forum meeting 2023 – Sweden

---

- Linked to the March 2023 Saltsjöbaden Workshop – Sweden
- Aim to have an in-person event open for cooperation and collaboration

# Discussion and suggestions in the chat:

---

- a) What capacity building work or work outside the UNECE region is currently happening in TF HTAP? Is there any material we should share/promote?
- b) Where do you see areas of cooperation between TFICAP and TF HTAP?
- c) Where is the opportunity for TFICAP to have the biggest impact on transboundary air pollution?

# Get in contact
